

International Baccalaureate MIDDLE YEARS PROGRAM

What is MYP?

The Middle Years Program (MYP) is a rigorous and recognized academic program open to all 8th grade students. This international curriculum infuses academics with service and personal growth. MYP is best suited for students currently enrolled in honors courses who are earning a recommended 3.0 GPA or higher.

"MYP helps you find a family of open minded, self motivated friends who watch and help you grow mentally and academically... The programme pushes you to limits you thought you couldn't reach and provides so many opportunities for student early on in high school."
Kaitlyn Reardon, '19

"Taking this program shows colleges that we are most committed to challenging ourselves which will carry out later in life as we seek higher education and opportunities in life."
Bryce King, '20

"The program has taught me to manage my time efficiently which is an important strategy to use in college. The programme has taught me to be a global thinker and allowed me to express myself through its various activities."
Karishma Muzaffer, '20

Benefits

Centennial High is an accredited IB World School with teachers who are trained in inquiry based teaching methods and curriculums

The IB programme is a college preparatory curriculum that develops skills such as time management, critical thinking, and communication

Learning infuses global points of view and cultural awareness

Students who complete the MYP are well-prepared to undertake the IB Diploma Program.
