

CORONA-NORCO UNIFIED SCHOOL DISTRICT

BOOSTER CLUB COVID-19 ACKNOWLEDGEMENT

Booster Clubs are an approved supporter of Corona-Norco Unified School District (“CNUSD”) student groups. As an approved supporter, booster clubs are an entity separate from the Corona-Norco Unified School District and carry their own tax ID number and Liability Insurance. Booster clubs shall additionally abide by the SARS-CoV-2 virus (“Coronavirus”) local, state and federal guidelines regarding human protection from the Coronavirus (the “Guidelines”). The Guidelines to strictly follow are located at various sites, including, but not limited to:

- a. <https://covid19.ca.gov/>
- b. <https://www.cdc.gov/coronavirus/2019-ncov/index.html>
- c. <https://www.rivcoph.org/coronavirus>

These guidelines must be strictly followed, without exception at all booster functions, which are representative of a student group of CNUSD and may involve voluntary participation of students of CNUSD.

The booster club further acknowledges that all volunteers for these booster events understand and strictly follow the local, state and federal guidelines. Failure to strictly follow these guidelines pose a significant element of risk of Coronavirus transmission and therefore can result in a revocation of the current booster application for the remainder of the school year.

I certify that as a representative of the booster club and approved supporter of a CNUSD student group, our booster club will strictly follow local, state and federal Coronavirus guidelines at minimum, unless the event held has more stringent local safety requirements.

I acknowledge that I have read and agree to all of the terms and that I fully understand my responsibility to adhere to all Coronavirus guidelines and instruction during any booster club event. I further understand that our organization is responsible in ensuring all volunteers are following all Coronavirus guidelines and our organizations failure to comply with these guidelines can result in the termination of the current booster club application.
